BETTER WORK IN TEAMS

SOLUTION FOCUSED

2 days booster Team Coaching

PREFERRED FUTURE NOW

If you want to allow your teams better performance, energized working relations and a sense of purpose, Solution Focused Team Coaching might be a good step for you. Focus on the wished for interactions and begin with them right now. A proved and flexible methodology allows you to link with their best.

FOR LEADERS & COACHES

- experiment with simple formats for organizing useful interactions focused on preferred futures of a team
- reflect on the elements and assumptions of SF coaching and how they influence working with teams
- envision and plan your own next team situations
